**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic as my broadband provider, a small company in northern California. They provide great service at competitive pricing. This company also provides voice service as well.

I am concerned that a new ruling may hamper the smaller competitive companies, force me to choose between the large companies at higher prices.

Please do whatever it takes to help these smaller companies keep competition alive.

Thank you,

John Magee
